Exploration 2021

Welcome to the 37th year of our mobile exploration of the greater Los Angeles area. Imagine hiking waterfalls and rock pools in the Santa Monica mountains, then venturing off to the cultural areas of Melrose and Chinatown. After this, proceeding to the George Page Museum and the La Brea Tar Pits and ending up at the beach to sample the sun and surf of the City of Angels. This is Exploration.

Week 1

June 21: **Malibu Creek State Park** - Land of the Chumash. Film site for MASH, Planet of the Apes, and rock pools.

June 22: **Downtown LA** - The Los Angeles Central Library, Angels Flight, Central Market, Bradbury Building.
